## R We solve with efficiency and integrity

We seek efficiency to solve today with an eye to the future: create intelligence and leave improvements for tomorrow, deliver with speed and be committed to always doing the right thing.

We joined the **100% Transparency Movement** (UN)

**ESG goals** in variable compensation

"**Nos Trilhos da Ética**" campaign to prevent moral and sexual harassment, encourage the use of the Ethics Channel and promote the Code of Conduct

Works on the **Mato Grosso Railway (FMT)**: 162 km of railway with construction activities underway

**Initiatives with customers** such as Terminal Alvorada (CHS), bauxite transportation (CBA) and pulp (Suzano)

**DP World Terminal and CHS** as the railroad's growth strategy

## U United for safety

We collaborate to build a safe and healthy environment, incorporating other forms of safety in addition to physical integrity: psychological, socio-environmental, cyber and property.

**Railway safety: 4.2%** reduction in total accidents

**24 Digital LCs installed**, with a significant drop in accident rates

Progress in **Asset Security** management

**Human Rights:** Execution of the Continuous Monitoring Program on the Malha Paulista

Progress in **implementing PTC 2.0 (Positive Train Control)** in Northern Operation

**Trip Optimizer:** a **4%** drop in diesel consumption and a cut in emissions of **25,000 tons of CO<sub>2</sub>** per year in the operation

## M We aim far with sustainability

This is about creating solutions today to build a future that generates even more value for the entire Rumo chain. We plan, invest and innovate to follow sustainable paths of shared prosperity.

**3.3% reduction in specific GHG** emissions

**6.9 million tons of CO<sub>2</sub> avoided**, compared to road transport

**Use of 37% renewable energy** certified with I-REC

Rumo is the first company in the sector to obtain **Zero Landfill certification in Brazil**

**Biodiversity initiatives** in operations and FMT

First and only Brazilian logistics company in the World and Emerging Markets portfolios of the **Dow Jones Sustainability Index**, for the second year in a row

**ISE B3** Since 2021 in the **ISE portfolio**

**Triple B** in the CDP Climate, Water and Forest questionnaire

## O People oriented
